- Frequently Asked Questions -

For reservations made before December 15 2025 for use after December 16 2025

Q Is it necessary to make a new reservation?

A Your reservation is still valid, so there is no need to make a new reservation.

Q Will the rates be changed?

A In the event of a rate change due to a revision of the sales system, whichever is lower of the rate applied at the time the reservation was completed or the rate at the time of rental shall apply.

Q If a reservation is made before the revision of the sales system (up until 12/15/2025) and changed after the revision (from 12/16/2025), will the rate before the revision of the sales system be applied?

A In accordance with the terms and conditions, the rate in effect at the time the reservation is completed will apply. In the event of a reservation change, the date of the change will be the time of completion of the reservation, and the revised rates will apply.
